

Workforce Development Grant Guidelines & Requirements

Overview

The Sioux Empire Home Builders Care Foundation Workforce Development Grant program serves to provide funding for projects that address a demonstrated need in the building industry, encourage and attract competent people to a career in the construction trades, make an effective use of volunteers and/or matching funds, and create a positive impact on builder workforce issues in the Sioux Empire.

Eligible applicants must be qualified tax exempt organizations, public schools or institutions, located within the Home Builders Association of the Sioux Empire's service area of Lincoln, Minnehaha, McCook, and Turner County in South Dakota. Proposed programs or projects should promote, create exposure to, provide skill sets and prepare individuals for careers in the construction trades.

Application Guidelines

Proposed projects or programs must achieve or support one of the following:

1. Promotion of academic, technical training, or professional development achievement in the construction trades
2. Construction trades career awareness in grades K-12, and/or young adults age 18-28
3. Community based non-profit organizations addressing building and construction industry workforce development needs
4. NAHB student chapter activities
5. Tools, equipment, and/or building materials for use in educational/workforce training programs
