DON'T FORGET ABOUT THE KIDS! BUILDERS FIRSTSOURCE KIDS ZONE

FEBRUARY 28 - MARCH 1, 2026

Saturday (9:00 am to 2:00 pm) | Sunday (11:00 am to 2:00 pm)

Located in the Main Entrance of the Convention Center

Hard Hat Fun Ahead!

The Home Builders Association, in partnership with Builders FirstSource, is excited to invite kids and families to the Kids Building Zone at this year's Home Show!

This is where creativity meets construction and little hands get to do some big building. Kids will step into the role of a real builder as they design and build their very own wooden toolbox to take home. It's hands-on, it's exciting, and it's the kind of project that sparks big smiles and even bigger confidence.

This isn't just an activity, it's an experience. Skilled builders from across the Sioux Empire, along with members of our Home Builders Student Chapters, will be on hand to work one-on-one with kids, offering guidance, encouragement, and a behind-the-scenes look at what it's like to build for a living. Along the way, kids will learn new skills, use real tools, and discover just how fun building can be.

Thanks to the support of Builders FirstSource, the Kids Building Zone is FREE with paid adult admission to the Sioux Empire Home Show. It's the perfect opportunity to introduce kids to the world of construction, craftsmanship, and the skilled trades, all while having a blast.

So, bring your future builder, roll up those sleeves, and get ready to build memories that last. The Kids Building Zone is where imagination, teamwork, and craftsmanship come together, one toolbox at a time!

BROUGHT TO YOU BY:

HOME SHOW FEATURE EXHIBIT:

THE SIGNATURE OUTDOOR EXPERIENCE

This year's Home Show invites you to Express Yourself, and there's no better place to do that than The Signature Outdoor Experience, the show's premier Feature Exhibit located in the Arena.

More than a booth, this walk-through experience brings outdoor living to life, allowing visitors to step inside a thoughtfully designed space and see how craftsmanship, quality materials, and personal style come together. Created through a collaboration between Hebron Brick Supply, Granberg Landscaping, and AAA Pools & Construction, the exhibit is designed to inspire ideas and spark conversation.

Inside, you'll find beautifully crafted pavers and stonework, an inviting outdoor kitchen, fire pit, stylish outdoor furniture, and a pergola that defines the space and sets the mood. Lush landscaping and natural flow create a welcoming outdoor retreat, while a stunning pool and hot tub showcase how water features can elevate both relaxation and entertainment.

Whether you're planning a project or simply gathering inspiration, The Signature Outdoor Experience shows what's possible when outdoor spaces are designed to reflect how you live, gather, and unwind. Step inside and leave with fresh ideas for creating a backyard that truly lets you Express Yourself.
